Projects

Intern (Dec 2025 - Feb 2026)

- Designed 15 looks across two concurrent collections, working within the brand's established aesthetic
 - Developed a color-blocking collection by creating original silhouettes and exploring multiple color combinations
 - Contributed to silhouette development and visual direction while aligning with brand guidelines
 - Managed parallel design tasks under deadlines in a fast-paced startup environment
-

Craft Cluster- Jaipur, Rajasthan(Dec 2024)

- Closely worked with artisans across Bagru print, blue pottery, and wood carving crafts
- Developed print designs using Bagru hand-block natural dye printing techniques
- Gained hands-on experience in blue pottery processes and traditional craftsmanship
- Studied wood carving techniques and material detailing

Work Experience

Internship (Dec 2025 - Feb 2026)

1.5 months

Seoraa

Fashion design & Social Media Intern

- Created silhouette sketches for fashion collections
 - Conducted trend research to support design development
 - Assisted in garment visualization and styling
 - Created social media content (Instagram posts, stories, reels)
 - Collaborated on brand communication and digital marketing effort
-

• Fashion Show Representation

- Represented the college at CIFI Show (Aug 2025), presenting design work on a professional runway

• Backstage Experience

- Assisted designers backstage at FDCI's "The Legacy of Craft" and Delhi Fashion Week, supporting show execution and styling coordination

• Industry Experience

- Contributed to backstage operations at IFJAS and IIGF, assisting in coordination for large-scale fashion and accessory exhibitions
